## The VIP Referral Program

Receive rewards towards your dental treatment by referring others!

---

As a VIP (Very Important Patient) we'd like to introduce you to our VIP Referral Program. It's a very simple and easy way for you to receive rewards. Here is how it works:

1. Refer as many family members, friends, neighbors, or colleagues to our office.
2. Make sure that they tell us you referred them. (First name and last name).
3. If the person you refer spends a minimum of \$100 on treatment, you will receive a **\$50** voucher towards your next dental treatment of \$100 or more. (Vouchers must be used before expiration).
4. For every person you refer to us, you will receive a **\$50** voucher. You may use multiple vouchers at the same time, so we encourage you to refer as many people as possible.

The referral program is a great way of helping pay for your own dental treatment by simply telling others about us. We are confident that our satisfied patients will give us the best referral, so this is our way of saying Thank You!
